

## GULL OFFERS BIG RETURN FROM HOLIDAY DISCOUNT

The start of the school holidays saw hefty rises in fuel pricing as the global cost of fuel per barrel surged, surpassing pre-Covid levels to reach an 18-month high. To welcome many people back from the school holidays, Gull is offering Kiwi motorists a 12 cents per litre Discount Day.

The July Discount Day will apply to all Gull's fuel types across the company's entire network from 7:00am on 29 July 2021 until 12:00pm midday on Friday 30 July 2021.

Pricing Analyst for Gull, Crystal Feist, says Gull enjoys giving back to Kiwi motorists and jumps at any chance to bring savings back into NZ communities.

"Gull's Discount Days are our way of giving back to NZ motorists so you can get out and spend time with your loved ones instead of worrying about the cost of the fuel. This is especially so after the school holidays and when global fuel prices have increased so much. As always, there is no minimum spend and no maximum fill restrictions. Our priceboards and pump prices are simply dropped from 7:00am today, to purchase as much or as little fuel as you like."

At the majority of Gull outlets where Gull controls retail prices across the country, **average prices** will be as follows during the above-mentioned time frame:
